Testimonials:

"These are the best solution for an en-suite door, providing privacy and safety for all"

Estates Officer

"Incredibly simple and yet so effective. I wish we had had these a few years ago, would have solved a lot of extra hassle and cost"

Health & Safety Officer

"We now have peace of mind knowing that our service-users can't self-harm on the en-suite doors - such a relief!"

Senior Nurse Manager

- Bracket free door with no weapons or ligature risk.
- Magnets concealed in a durable woven material with no tamper risk.
- Flexible installation method making it quick and easy to install and remove.
- Single leaf door creating the 'normal door' scenario.
- Bespoke printing to create the therapeutic atmosphere within the room.
- Made to measure sizes to meet all requirements.
- No ligature left when door is removed.
